

For our website, <https://parking.hamburg-airport.de/iPCP/>, we use cookies and similar technologies (in the text that follows: "Cookies").

1. What are cookies?

Cookies sind Textdateien, die von Ihrem Browser auf Ihrem Endgerät gespeichert werden und welche uns eine Analyse der Benutzung der Website durch Sie ermöglichen.

2. Consent to use of cookies

Cookies which are not absolutely necessary to make the services of our website available to you (see Point 3a) are only used if you have provided your consent. As soon as you actively use our website by continuing to view the site after the cookie banner has been displayed, you signal your consent to the use of cookies.

3. Cookie categories

We divide cookies into the following categories:

- Absolutely necessary cookies, without which the functionality of this website cannot be used;
- Functional cookies, which simplify the use of the website, e.g. cookies to store language preferences;
- Service cookies, which gather information about how the contents of the website are used;
- Advertising cookies, typically third-party cookies, for example from social networks, etc., which gather information on the users of websites to produce target-mark driven advertising for the user.

a) Absolutely necessary cookies

c) Service cookies

The following service cookies are used on our website:

Cookie Name	Category	Description	Duration	Typ
No Cookie				

d) Advertising cookies

The following advertising cookies are used on our website:

Cookie Name	Category	Description	Duration	Typ
No Cookie				

4. Managing and deleting cookies

You may configure your web browser so that cookies are not saved on your enduser device. You may also delete cookies that have been saved. An explanation of the appropriate functions for the Firefox, Microsoft Internet Explorer and Google Chrome web browsers may be found at the following link: http://www.meinecookies.org/cookies_verwalten/index.html.

If you decide against the use of cookies, this may restrict the functionality of our website.
